

the focus finder

right role

1 I can name the exact roles I'm going after, and why.

2 I know what I'm worth in this market, with a number.

3 I know the skills I will bring on day one, and the skills I need to build.

4 I understand candidate-market fit and how to evaluate mine.

proper pipeline

5 I get at least one first-round interview every week.

6 My resume has a reliable, healthy application conversion rate.

7 My LinkedIn profile is strong and brings me inbound opportunities.

8 I regularly talk to insiders, before and after I apply.

offer readiness

9 I have a library of stories I can pull from, not stories I invent on the call.

10 I can run a product sense prompt without freezing on which framework to use.

11 I have a clear process to follow when I get take-home tasks and case studies.

12 I have a walk-away number decided in advance.
